TOWN WARRANT

STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Fremont, in the County of Rockingham, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall, in said Fremont, on Tuesday, the 10th. day of March, next at eleven thirty of the clock in the forenoon, to act upon the following subjects:

Warrant to be taken up at 7:00 P. M.

1. To choose all necessary Town Officers for the year ensuing.

2. To hear the report of the Budget Committee and take such action as town deems necessary.

3. To raise such sums of money as may be necessary to defray Town Charges: Care of Cemeteries, Street Lighting, Support of Poor, Old Age Assistance. Maintenance of Highways and Bridges, General Expenses of Highway Department, Public Library and Memorial Day for the ensuing year and make appropriations of the same.

4. To see if the town will vote to raise and appropriate the sum of \$218.93 for Town Road aid.

5. To see if the town will vote to raise and appropriate the sum of \$850.00 for the use of the Fremont Fire Department.

6. To see if the town will vote to raise and appropriate the sum of \$200.00 for Fighting Forest Fires.

7. To see if the town will vote to authorize the Selectmen to Borrow money in anticipation of taxes.

8. To see what action the town will take by ballot on the following question, "Shall the provisions of Chapter 171-A of the Revised Laws, relative to playing Beano be adopted in this town?"

9. To see if the town will vote to authorize the Selectmen to sell at private sale or public auction land acquired by Tax Collector's deeds.

10. On petition of Ralph Holmes and fifteen others, "To see if the town will vote to authorize the use of rifles to be used in the town of Femont, N. H. in the hunting and shooting of deer during the open season."

11. To see if the town will vote to raise and appropriate the sum of \$550.00 for painting the Old Meeting House.

12. To see if the town will vote to adopt regulations as to equipment and care in operating of bicycles in said town. NOTE The regulations will be prepared in time for Town Meeting.

13. To transact any other business that may be deemed necessary.

Given under our hands and seal, this 17th day of February, in the year of our Lord nineteen hundred and fifty-three (1953).

WALTER E. QUIMBY,
HOLLIS C. MAGOON,
GEORGE F. ROGERS,
Selectmen of Fremont

A true copy of Warrant—Attest:

WALTER E. QUIMBY,
HOLLIS C. MAGOON,
GEORGE F. ROGERS,
Selectmen of Fremont

REPORT OF FIRE CHIEF

The efficiency of the Fire Department has been increased this year by the purchase of new equipment for the trucks and improvements at the Fire House.

The purchase of three 2-way radios was made by the Fireman's Association and in case of a severe drought requiring patrol duty they would be very valuable. They would be valuable at any fire, in that requests for more equipment or help could be transmitted to the Fire House immediately.

New, wider doors were also given to the Department by the Fire Association.

A drive by the Association to put fire extinguisher in each home was very successful.

The Department has been gradually replacing the old hoses on the trucks with new. The lack of any serious, expensive fires this year has enabled us to purchase an extra one hundred foot length of hose.

The cooperation of all townspeople in helping to keep fires at a minimum is greatly appreciated.

Following is a list of calls made by the Department in 1952:

February 15, Everett Spaulding, Chimney Fire

February 21, Roy Hoitt, Chimney Fire

March 13, Town Hall, Chimney Fire

April 6, Charles Brusso, Chimney Fire

April 16, George Marcotte, Grass Fire

April 17, Stewart Carmichael, Woods Fire

April 19, Roy Hoitt, Chimney Fire

April 19, Danville, Woods

May 7, George Rogers, Sr., Chimney Fire

October 20, Hazen Wyman Mill, Raymond

November 8, False Alarm, Brentwood Line

December 19, George A. Bassett, Chimney Fire

Respectfully submitted,

F. CARROLL HESELTON, Chief

FOREST FIRE

TEAM WORK WILL DO THE JOB

Team work has won victories from time immemorial - for families, towns, cities, states and nations. Team work is the highest form and most democratic example of cooperation. Without team work, America and Americans would never have achieved the greatness that is theirs. We are all aware of its power and appeal. It is no less needed now than in the past.

Team work among those who live, work and recreate in and near the woodlands, is vital. There never was a time when our woodlands as a whole were in such precarious condition as they are now.

Since the hurricane, nearly 900,000 acres of slash have been added to our already sizeable slash problem. If we are to avoid unnecessary trouble with fire in our woodland areas everyone must cooperate - we must have team work. The remedy is simple -

YOU and YOU and You and You

MUST secure the required permit from your local forest fire warden before burning.

MUST use necessary precautions while burning or smoking in or near woodlands.

MUST not throw lighted cigars, cigarettes and matches from vehicles moving along highways.

Otherwise YOU might well contribute to a costly and damaging fire. And don't forget that fire might destroy your own property.

REMEMBER - Only YOU and YOU and YOU can prevent fire!

TEAM WORK WILL DO THE JOB

Number of local fires 3

Number of acres burned less than 2

Number of permits issued

CLARENCE H. PHILBRICK, Forest Fire Warden

MERTON A. WEBBER, District Chief

REPORT OF AUDITOR

I have examined the accounts of the Town Clerk. Tax Collector, Treasurer, Trustee of Trust Funds, Janitor of Town Hall, Librarian and Selectmen, all supported by proper vouchers.

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Fremont qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the ninth day of March, 1953 at eight o'clock in the evening, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing one year.
4. To choose a Member of the school Board for the ensuing three years.
5. To choose a Treasurer for the ensuing year.
6. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.
7. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
8. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

9. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income: the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

10. To transact any other business which may legally come before this meeting.

LAURENCE A. PETTENGILL.

MAURICE K. KIMBALL,

ELIZABETH QUIMBY.

School Board

BUDGET OF THE SCHOOL DISTRICT OF FREMONT, NEW HAMPSHIRE

SUPERINTENDENT'S REPORT

To the School Board and Citizens of Fremont:

It is with pleasure that I submit this, my third annual report as your Superintendent of Schools.

The citizens of Fremont can well be proud of its school. The reading program as established last year has been carried on to the benefit of all children concerned. An attempt is being made (and successfully) to give children an opportunity to read with a group of their own reading level. This has allowed a child to develop as he is ready and has eliminated the frustrations that are instrumental in developing bad reading habits. The reverse is also true; those few pupils who are finding their grade level too easy are assigned to read with a group of like reading ability in the grade above. This is a good educational practice and speaks well of the professional attitude of Fremont's teachers in working out such a cooperative procedure. Each year the value of the fifth teacher is more and more justified.

The following table will give a comparison of the grade sizes for 1952 - 53 and 1953 - 54:

Grade	1952 - 53	1953 - 54
1	22	20
2	23	22
3	17	23
4	15	15
5	9	15
6	9	9
7	16	9
8	8	16

It can be seen that large classes are moving on into the upper grades and that in the near future you can expect a class of approaching forty pupils in the combined grades.

This makes it all the more important that you maintain continuity in the teaching staff and that your present staff be encouraged to carry on their good work.

TESTING AND GUIDANCE

The value of the testing program has been increased with the addition of a Supervisory Union Guidance Director. Mr. Scanlan is trained in the administration and interpretation of tests and is working closely with the teaching staff in making the testing program meaningful. Parents are urged to take advantage of the opportunity to talk with the teachers and Mr. Scanlan concerning their children's problems.

TEACHERS

Mr. Kenneth A. Field, Jr. U. N. H. "51" to replace James McShane who resigned to accept a position in the Dover Elementary School. Mr. Field teaches 7th and 8th grades and coaches boys' sports.

Mrs. Alma S. Gallagher, Bridgewater Teachers College, to replace Mrs. Mildred Willette who resigned to accept a position in Mount Vernon, N. Y. Mrs. Gallagher has four years experience in Kindergarten and teaches grade two.

Miss Rosemary Leombruno, Boston Conservatory of Music "52" to replace Miss Anne-Marie O'Shea who resigned to marry. Miss Leombruno's background in music lends itself especially well to our music program.

Mr. John Scanlan, U. N. H. 1946 with advanced work in guidance at Boston University as Director of Guidance, Supervisory Union 14. Mr. Scanlan holds a Special Degree in Guidance and is getting the program off to a very encouraging start.

HOT LUNCH

The Hot Lunch program with Mr. Michelson as cook and P. T. A. Mothers as assistants has again been kept

up to its high standard of quality and quantity. The P. T. A. deserves much credit for its continued interest in and support of this worthwhile program.

DENTAL CLINIC

Through the cooperation of Dr. Shirley Dyer of the State Department of Health, your Superintendent has been able to acquire a needed dental program for the Fremont children. All children in the lower grades have been provided with the opportunity to have their teeth cleaned and fluoridized. Dr. Roy with the mobile dental unit has done a great deal of dental work throughout the school. This has been done at no expense to the parent or school district as the P. T. A. once again came to the rescue and paid the Dentist's board and room while he was in Fremont. As this covered a period of about six weeks, it can be seen that the P. T. A. deserves much credit for making the program available to Fremont's children.

PLAYGROUND

The fine work of the committee on the preparation of the playground, under the direction of Pokie Fuller, should be recognized. All those who contributed time and effort toward completing the playgrounds and lawn have again exemplified what community spirit and effort can do toward the betterment of the school program.

In closing I wish to express my appreciation to the school board, citizens, teachers and pupils of Fremont for their cooperation and friendliness. It has made my work in Fremont very pleasant.

Respectfully submitted,
LOUIS L. RAMSAY
Superintendent

ANNUAL REPORT OF DISTRICT TREASURER

Fiscal Year Ending June 30, 1952

Summary

Cash on hand July 1, 1952	\$	29.92
Received from Selectmen:		
Current Appropriation	\$26,490.68	
Received from State Treasurer:		
State Funds	7,466.82	
Federal Funds	524.70	
Received from all other Sources	1,760.28	
Total Receipts		\$36,242.48
Total Amount Available for Fiscal Year		
(Balance and Receipts)		\$36,272.40
Less School Board Orders Paid		36,269.81
Balance on hand June 30, 1952		
(Treasurer's Bank Balance)		2.59
June 30, 1952		

NORINE M. EMERSON,
District Treasurer

AUDITORS' CERTIFICATE

This is to certify that we have examined the books, vouchers, bank statements and other financial records of the Treasurer of the School District of Fremont of which the above is a true summary for the fiscal year ending June 30, 1952 and find them correct in all respects.

July 18, 1952

FLORENCE A. GEORGE,
Auditor

REPORT OF MUSIC SUPERVISOR

To the Superintendent and School Board, Citizens of Fremont:

More than one hundred years ago, when music was first introduced in the public schools, the main accent in education was on the three R's.

Today, so much has been added to the elementary and secondary school curriculum; health, physical education, art, reading, arithmetic, science, thrift, character education, safety, dramatics, good citizenship, social studies and last but not least; music.

The aims of every music teacher are to obtain an appreciation and love of good music leading to the cultural development on the part of the child and to train the child in habits of concentration and thinking. We want all our children to love good music, to be intelligent when they sing or play or listen to music and we want each boy and girl to be given abundant opportunity for learning to sing or play or listen in accordance with the dictates of his inclination and capacity as an individual.

Music is primarily a group activity and is accomplished through songs, rhythms, records, games, folk dancing, rhythm bands and tonette groups of which all the children have participated in and enjoyed. We have experimented with square dancing in the first and second grades and found them to be done successfully and needless to say, the children have enjoyed them as much as their rhythm bands.

I feel that the music program in our schools, is running along very good lines, but couldn't be accomplished without the aid, help and encouragement received from the teachers, parents and students and so my sincere thanks to you all.

Respectfully submitted,
ROSEMARY A. LEOMBRUNO.
Music Supervisor

NURSE'S REPORT

To the Superintendent and School Board, Citizens of Fremont:

The physical examinations of all pupils were completed early in the year. Corrections of physical defects were made if possible. Along with this program, much time has been spent with the physical observation of individual pupils. This was to help make adjustments socially, mentally and hygienically. It is thought that this is the key to effective school and community action to improve health. Much group health education goes on informally in relation to day by day living at school.

The hot lunch program continues to function efficiently and profitably toward the health of our pupils. I'm sure all parents appreciate this because of the number having them. The P. T. A. is to be commended for the sponsorship of this fine program.

Due to the serious epidemic of measles, we were having in June. only seven were able to attend the round up. These were given complete physical examinations and vaccinated.

In cooperation with the Dental Department of the State Board of Health, all the pupils in the first six grades received cleanings and four fluorine treatments. It is hoped that this will prevent or lessen tooth decay.

The Dental Mobile has been operating in town for

several weeks. The dentist has completed the first and second grades which was the program. Because of his personal interest in the school and the pupils, he has extended his program to include many beyond these two grades.

I would like to take this opportunity to thank all who have made my work so pleasant. Their help, interest and cooperation is deeply appreciated.

Respectfully submitted,

GUIDANCE DIRECTOR'S REPORT

To the Superintendent of Schools, Members of the School Board and Citizens of Fremont:

It gives me great pleasure to present my first annual report as Director of Guidance.

In these first few months a good start has been made in laying the foundation for a high grade program of guidance services for the pupils in grades one through eight. Under the supervision of Mr. Ramsay and working with the help and advice of Mr. Radasch, New Hampshire State Director of Guidance, the University of New Hampshire Guidance Department, and the Boston University Guidance Department; short term and long term objectives for the program were formulated.

A survey was made during the first week in September during which time the teachers in all grades were seen and asked in what way the guidance program could best meet the needs of their pupils. After this information was tabulated and analyzed, we set up our objectives.

The first objective for these early months was to set up an individual inventory for each pupil in the 8th grade. These pupils are faced with an immediate and important choice in their planning for a career, and more than any grade these pupils need guidance immediately. An individual inventory is an inventory of the pupil's assets and liabilities in the physical, mental, social, emotional, and spiritual areas of life. Over the years, this will be a record of his or her growth in these areas as well as a very specific and analytical record of his growth in the educational skills. An important part of the inventory is the results of the University of New Hampshire battery of tests covering ability, interests, aptitudes, and personality. This first objective has been accomplished.

Using the inventory as a basis we are now in the process of counseling and guiding these 8th grade students in their next important step their choice of an occupation

for which they will start preparing in their four years of high school work.

In the process of the carrying through of this part of the program, 22 visits have been made to the schools. Each of the 8th grade pupils has been counseled individually at least twice. Each of these students will be counseled individually at least twice more before June, or as many more times as is necessary in order that it is as certain as we can make it that he or she is making the proper choice.

It is necessary that these pupils should know what they can expect in their chosen occupation as far as the kind and amount of training necessary, personal requirements, aptitudes, special abilities required, salary, opportunities for advancement, etc. is concerned. This information will be given them.

An occupational information file is being set up. At the present time information on approximately 1100 different jobs is available. This file will be expanded to cover every possible need. We will make use, too, of the facilities of the State Library in Concord.

The University of New Hampshire tests have been given. These standardized tests compare our pupils with thousands of other pupils in the same grade in the United States. Ten 8th grade students were tested on twenty-one different attributes of personality. These tests are of immeasurable value in guiding students into the proper educational and vocational fields. Twelve 4th grade pupils and thirteen 6th grade pupils were tested on ten attributes of personality and growth in twenty-six educational skills. The attributes scores are valuable in diagnosing for the guidance of these pupils and the growth in educational skills scores are of great value in aiding the teacher to see those skills in which the pupil needs more help. Three individual tests were given to pupils upon whom certain specific information was needed so that factors which were slowing down their pro-

gress might be brought to light and rectified.

Before the year is completed the 8th grade students will be given a short intensive course in "Choosing A Career". In other words, they will be given every possible aid so that they will be pointed toward the position for which their abilities, aptitudes, and personality fit them.

A follow-up of our graduates and drop-outs will be made in order to evaluate the success of our school training and the guidance program. When the 8th grade students have been properly served by the guidance program an individual inventory will be set up for each pupil in each grade, starting with the first. This inventory will follow the child from grade to grade. At present our testing program starts in at the 4th grade. We would like to extend this down to the first grade.

A very important part of any guidance program is the help which a counselor can give to those pupils who are not adjusting well to the school and who are not making the progress of which they are capable. Through tests and counseling interviews, it is very often possible to find the reasons for the pupil's poor progress and to help him, or her, so that they may be happier in school and able to take advantage of its benefits. The success other guidance programs have had in this particular area have been quite remarkable. Three Fremont students have been helped in this way.

An adult education course in the training of children and the proper handling of their problems has been given in February and another will follow in the spring, if there is a call. When school closes in June, the facilities of the guidance office will be available to the out-of-school members of the community. It is hoped that many adults will take advantage of its testing, counseling, and consultation services.

I feel that we have made an excellent start and look forward to great accomplishments in the remainder of this year and next.

Respectfully submitted,

JOHN A. SCANLAN,

Director of Guidance
